

**Achievement Day 2017**  
**May 13<sup>th</sup>, Saturday, 2017**  
**at CU Imig music building, Boulder**

February, 2017

Dear Parents,

Achievement Day is the valuable opportunity in which we recognize and celebrate students' effort, achievement and talent in their music study. Students can participate either as a solo player or as an ensemble group of 2 to 6 performers. They will perform **two solo pieces** (one of them memorized, along with the scales in the key of each piece) (or **two ensemble pieces** for an ensemble group) and complete **minimum two ~ maximum five music related activities called options**.

Upon completion, the students receive written comments on their solo (or ensemble) pieces and options from evaluators, a ribbon and a certificate for participation.

The **Super Achiever Medals** are awarded to those who passed on solo (or ensemble) pieces, scored 80 or above in minimum one musical knowledge option (theory, terms & signs, history, ear training), passed on minimum one technique option (scales, chords, arpeggios), and passed on any two more options (**total four options**). To be eligible for the Super Achiever status, the students need to register as SA candidates.

Registration: **Please pay the fee to your children's teacher.** (Please know that the teachers need to send the registration form and one check to the chair by April 6<sup>th</sup>, Saturday, 2017.)
